

U.S. Patent Application Serial No. 10/014,407
Supplemental Preliminary Amendment
dated October 29, 2003

AMENDMENTS TO THE DRAWINGS:

The attached replacement sheets of drawings include a first sheet (containing Figs. 5a, 5b, 5c and 5d) and a second sheet (containing Figs. 6, 7a and 7b). The changes to the first sheet include changes to Figs. 5c and 5d; and the changes to the second sheet include changes to Fig. 6.

Figs. 5c, 5d and 6 have been corrected so as to change reference numbers "35a" and "35b" to reference numbers -25a- and -25b-, respectively, and have such reference numbers 25a and 25b be directed to the first moat and the second moat, respectively. Such corrections were submitted in a Request for Approval of Drawing Corrections dated February 27, 2003, filed along with the February 27, 2003 Amendment, and approved by the Examiner in the Office Action dated May 22, 2003 (see Office Action Summary, item 11).

In this Supplemental Preliminary Amendment, reference number 27b, along with its reference line, has further been deleted from Fig. 5c.

These two sheets, which include Figs. 5a, 5b, 5c and 5d, and Figs. 6, 7a and 7b replace the original sheets including Figs. 5a, 5b, 5c and 5d, and Figs. 6, 7a and 7b.
